Help with fees

Help with your fees! If you are in receipt of Working Tax Credits you could be eligible for help with your childcare fees.

Curriculum/ Key person

We follow the birth to three foundation stage curriculums and within this we cover the early learning goals. We operate a key person system for all children in our care and build individual records of your child's development.

Our Vision

A place to

...play...

...grow...

...learn...

...belong...

Our aim is to create a place for children where they can run, play, explore, learn, and grow - physically, mentally and spiritually.

We are committed to valuing each child as unique, created specially with individual gifts, strengths, interests and needs.

We aim to foster wonder and amazement as children see the world about them, and learn to care for the environment and for nature.

We are committed to creating an atmosphere where children belong, and so are free to learn and grow, secure in the knowledge they are special, valued little people.

Visit Us

You and your child/ren are welcome to visit the Pre School to visit anytime during our opening hours. A member of staff will show you around the Pre School and answer any further questions you may have.

Policies and Procedures

A copy of the Pre School Policies and Procedures in full is available on request.

Waiting List

Children of any age can be placed onto the waiting list and we accept children from two years of age. However priority is given to Pre School aged children. Further places are allocated on an 'age order' basis is dependant on availability.
